IL 60173

Dear VPA Midwest members,

It is still not too late to wish you all – “A happy and prosperous 2012”. I would like to thank you all for entrusting me with the president ship of VPA Midwest.

I am glad to announce the 2012-13 executive committee and thank them for volunteering their time and effort for planning many year round activities for its members. The EC will do our best to take this organization to the next level like all our past office bearers.

We will be sending frequent email communication regarding the multitude of social and cultural events year around. We are planning to focus this year’s activities taking into account the youth of the VPA community. If you or anybody you know have ideas please do not hesitate to contact us or channel them to our executive team.

As a non-profit, we will seek to lend a helping hand wherever the community needs it most. There are many in need of help, and many ways to help. With your help and participation VPA Midwest can set forth a trend.

It is the hard work of the organization’s members coupled with the support of the leaders of community that ensures the maximum impact our VPA Midwest makes to our thriving Vokkaliga Community. So I welcome one and all with positive ideas. Come join VPA-Midwest and help us expand and grow.

Last but not the least I would like to solicit your support and suggestions in making this organization a premier one for the Vokkaliga community here in the Midwest.

VPA Mid West Executive Committee 2012-13
